

# Administrator Web Console

## Overview

Once logged in, the Administrator is greeted by a simple set of menus that gives them full control over the support environment.

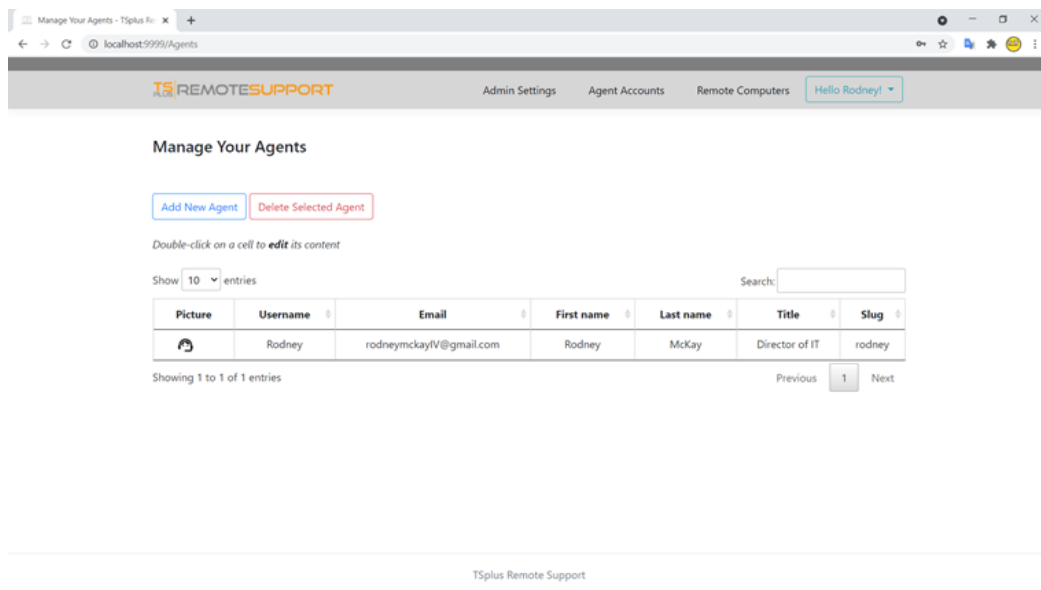

## Administrator Settings

The first menu item is Admin Settings, these settings are detailed in the [Settings > Administrator Settings](#) chapters of this documentation.

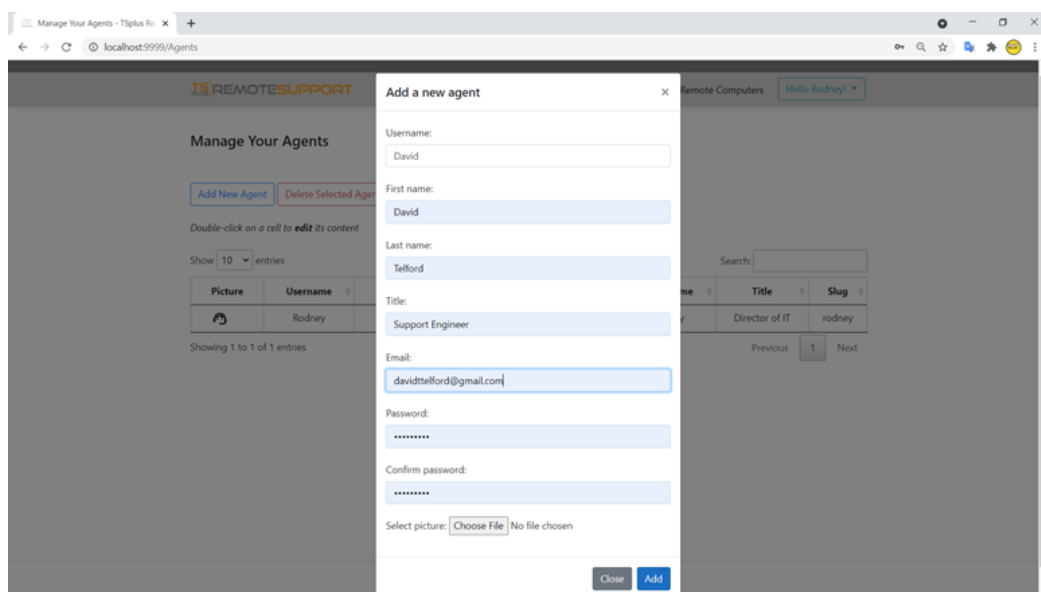

## Agent Accounts

The second menu item is Agent Accounts.

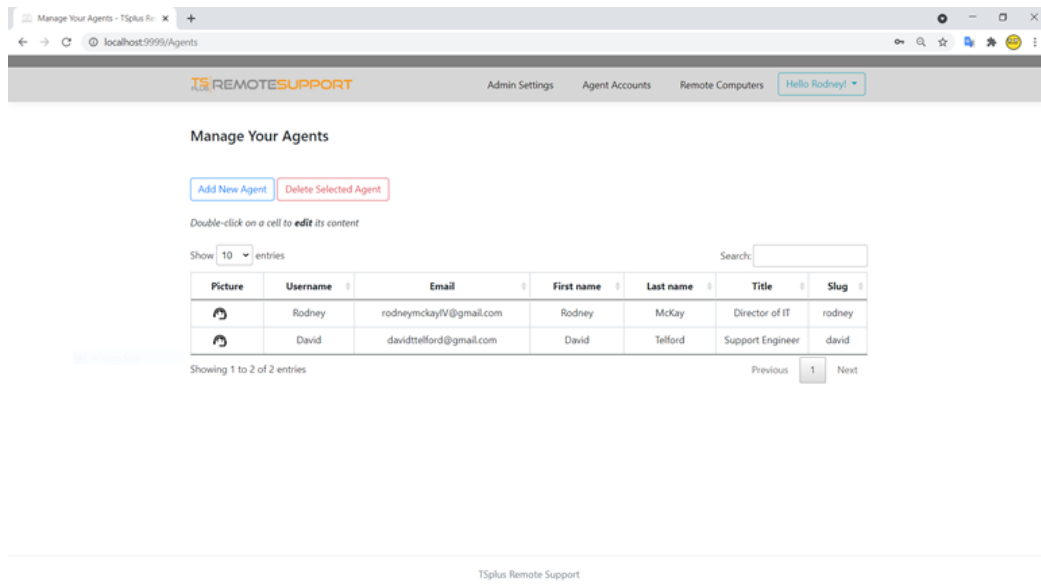

From this screen, the administrator can add, delete or edit agent accounts.

Let's click on Add New Agent to set the first one up.

Simply fill in the agent information and click 'Add'.

Your new agent is now ready to go.

## Remote Computers

The third menu item is Remote Computers.

This page is also available to Support Agents and is detailed in the [Agent Interface](#) chapter of this documentation.
