Locate the Administrator Tool on your desktop

If you cannot find the admin tool shortcut, it should be located in the desktop folder on the administrator account used to download TSplus. You can also find the TSplus folder on this path: 'C:\Program Files (x86)\TSplus\UserDesktop\files'.

Double-click on it, then click on the license tab.

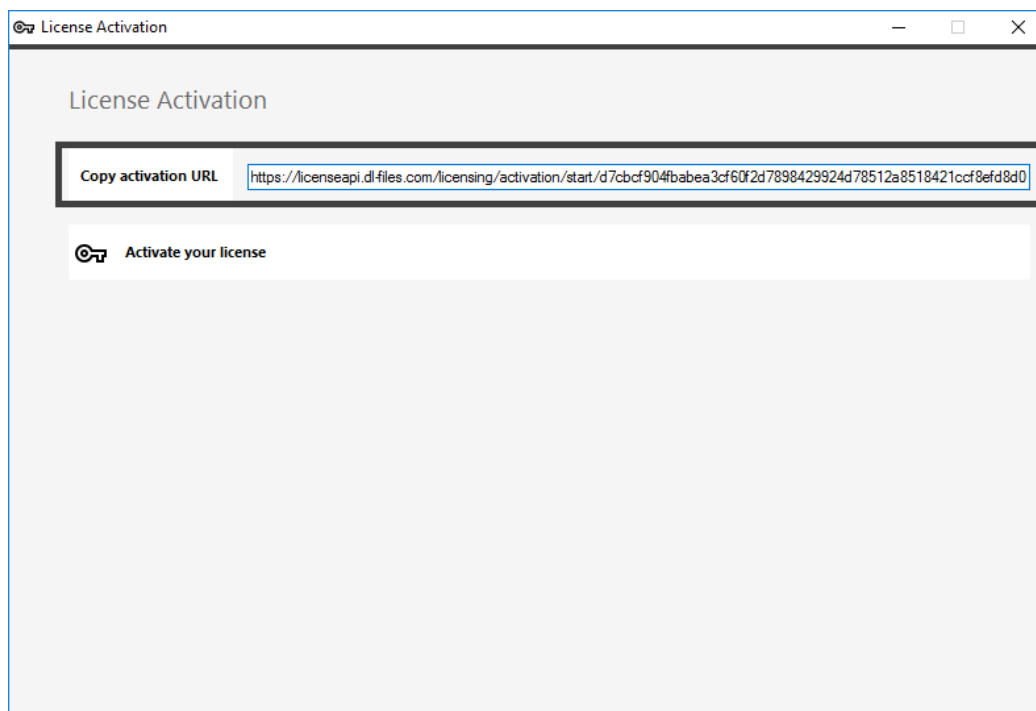

Here you can see the status of your TSplus license, as well as your Computer ID and Computer Name "UNREGISTERED"
